This course provides the tools a person needs to assume control of an emergency response to a hazardous materials incident. It focuses on legal and practical requirements to safely and competently manage a hazardous materials incident. Upon successful completion of the required training, you will receive a CSTI certificate.

Prerequisites: FRO and ICS-100

*****HazMat IC is mandatory to take Company Officer 2D*****

Code of Conduct: Appropriate dress for class is required. It is the student's responsibility to maintain a clean, neat and professional appearance. Some courses may require the wearing of uniforms or special attire. Course coordinators and/or course announcements may specify either a style or type of dress for a specific course.
