HAZARDOUS WASTE DISCHARGE *PUBLIC NOTIFICATION SUMMARY*

Pursuant to Proposition 65, Section 4,
The Safe Drinking Water and Toxic Enforcement Act of 1986

SUBJECT: GROUNDWATER CONTAMINATION

**LOCATION: BONADIMAN-MCCAIN INC.
280 S. LENA RD., SAN BERNARDINO**

Results of soil and groundwater samples recovered at 280 S. Lena Rd. have revealed that groundwater beneath the site is impacted with petroleum constituents. The contamination was discovered following the removal of underground storage tanks at the site by the former operator Bonadiman-McCain, Inc.

San Bernardino County Office of the Fire Marshal has required an investigation to define the extent of soil and groundwater contamination and determine further corrective actions appropriate for the site.

There is no evidence that drinking water supplies have been impacted by this release.

For further information regarding this site, contact Catherine Richards, REHS, in the Local Oversight Program at (909) 386-8419 or visit the State Water Resources Control Board GeoTracker web site at: <http://geotracker.swrcb.ca.gov>.
