Instructor: Jim

**CLASS FULL**

This course is intended to provide training for fire service personnel in water rescue techniques. Topics include: Swift water rescue, submerged vehicles, drowning, use of engine/truck company equipment for water rescue, use of rafts and boats, and water search and recovery. The course emphasizes safety of rescue personnel.

Each student MUST have the following equipment to participate in the class: a full wet or dry suit, wet suit booties or sneakers, a water rescue, climbing or kayaking type helmet (light weight and able to drain water easily), Type III or Type I personal flotation device, River/Diving gloves or snug leather gloves. Swim fins are optional.

**Code of Conduct:** Appropriate dress for class is required. It is the student’s responsibility to maintain a clean, neat and professional appearance. Some courses may require the wearing of uniforms or special attire. Course coordinators and/or course announcements may specify either a style or type of dress for a specific course.

**Cancellation Policy**  
Students MUST notify RSTC staff as least 5 BUSINESS DAYS prior to the class start date if they wish to cancel. Failure to make proper notification will result in forfeiture of the class fee. Students who make the proper notification will be reimbursed as soon as possible.
