Taking HHW to a collection site is the right thing to do.

REDUCE, REUSE, RECYCLE!

CALL 1-800-OILY CAT
(645-9228)
I need to safely put away the paint in the garage and not leave it outside where it could leak and become a safety hazard.

Next time, I should get less paint!
Recycle & Don’t Throw Away Oil

I should call 1-800-oily cat to find out where to take items to recycle/dispose
Hi. Do you accept paint?

We take in paint and other HHW from San Bernardino County residents.
Do not transport more than 15 Gallons or 125 lbs of HHW

For your safety, residents must stay in their vehicle.

It's a good thing I don't have more than 15 gallons or 125 lbs of HHW to transport!

Reduce, Reuse, Recycle!
Do not transport more than 15 Gallons or 125 lbs of HHW

**HOUSEHOLD HAZARDOUS WASTE**

*Please stay in the vehicle*

*For your safety, residents must stay in their vehicle*

Gasoline

Oil

Antifreeze

Reduce, Reuse, Recycle!
Thank you for using our Household Hazardous Waste facility.

For your safety, residents must stay in their vehicle.

I feel great doing the right thing by properly disposing my HHW. Be sure to tell your parents to recycle their HHW!
